We give you thanks, oh God, for the diverse communities in which we live and work here in Wayne County and for the blessings and challenges we know here. We thank you, God, for simple things, for daily blessings that you give us that we so often take for granted. Give all citizens strength of purpose and concern for others, that we may nurture a society of peace and justice. Give us wisdom and goodwill and concern for all people. Work in all our hearts to heal division and distrust and help us to work together to build communities and a nation where each person has access to basic needs and to a life of dignity. We lift before you this meeting of the County Commission; help them to use their authority to serve faithfully and to promote the welfare of all who live within our County. Guide their decisions, that they may be good stewards of all of the resources entrusted them.
